

If you need to place someone into care, we can assist by...

- Completing all applications for Centrelink or DVA
- Informing you of the best possible care options
- Lodging all of the paperwork
- Organising respite and interim care programs
- Case management into residential care
- Providing assistance to view nominated facilities
- Being on hand to answer any questions
- Helping you obtain the best financial outcome for your placement
- Taking the guesswork out of a very important decision that one needs to make at this time in their life
- Assisting in negotiating accommodation bonds
- Helping you settle into your new residence

We can help you with the entire placement process
Emergency and Weekend enquires are always welcome
